Appellate Court Lets Laine Back In School

A temporary injunction was restored by the Second District Appellate Court in Elgin which readmitted Charles Laine, 17, son of Mr. and Mrs. Sulo M. Laine of 2102 E. Sprucewood Lane, Lindenhurst, to Antioch High School with his hair intact.

The order, returning him to the classroom, after the three judges heard oral arguments presented by F. James Lumber, representing the high school district board of education, and Peter Collins of Waukegan, of the Lake County Chapter of American Civil Liberties Union which filed the appeal in behalf of Laine.

Judge Thomas J. Moran of Waukegan gave the opinion which set aside the order of Judge Clarence E. Partee of the Lake County

Circuit Court. Judge Partee dismissed a temporary injunction during a hearing Sept. 18.

The judge, who is from Mount Carmel, was sitting in Lake County Circuit Court at the time of the hearing for the permanent injunction to enjoin the high school district from keeping the long-haired Laine out of the classroom.

Other judges who sat during the hearing in Elgin were Glen K. Seidenfeld of Waukegan and Mel Abramson of Naperville.

The Appellate Court's action enables Laine to attend classes while the appeal is pending in the higher court.

The court's ruling also prevented the Antioch High School Board from holding a hearing to consider the expulsion of Laine.

Laine was in court, accompanied by his father, a retired Army sergeant and now self-employed as an insurance adjuster. The father saw service during World War II and the Korean War.

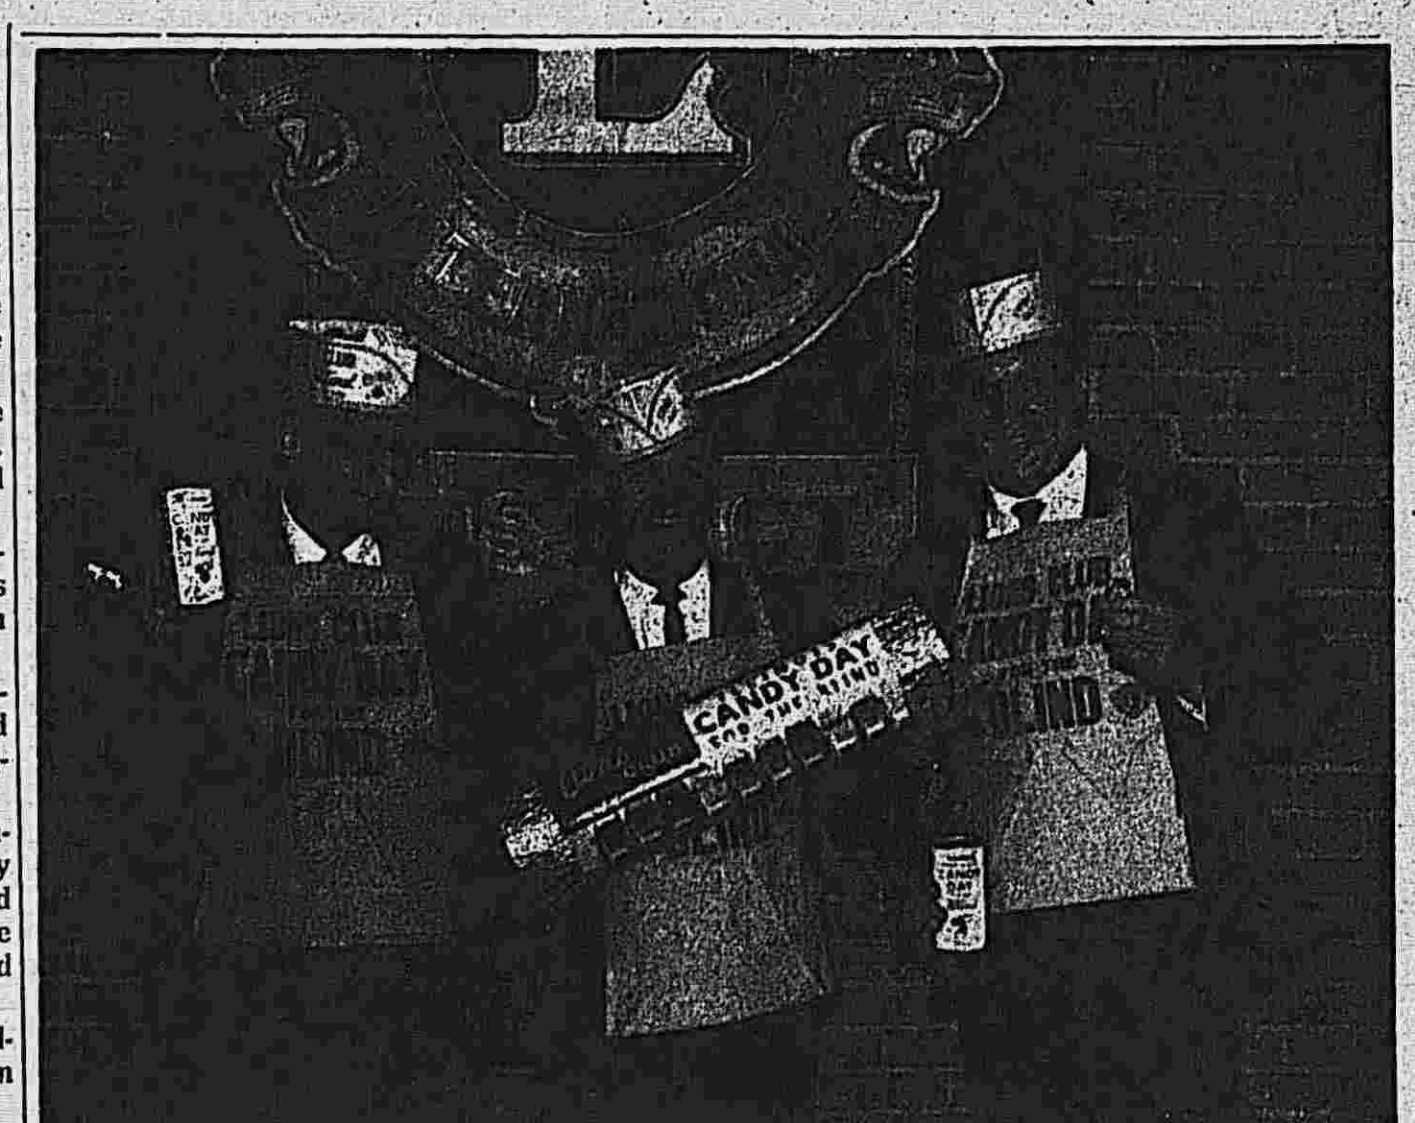

Laine was dressed in an Edwardian jacket with bell bottom trousers.

Collins told the court that the case presented Antioch High School students with its finest opportunity to learn the basic principles of government.

"It is the person's right to dissent, it is his right to look different and that it represented an expression of his own choice," claimed Collins.

Collins noted that disturbances developed from Laine's presence in the school, but were not from his doings but came from a self-

Fire Prevention Is Year-Round Project

The week of Oct. 5 through 11 has been designated as Fire Prevention Week throughout Illinois by Governor Richard Ogilvie and locally by Mayor Raymond Toft.

And even though a week is designated, fire officials point out that fire prevention would be a year-round job.

"Don't give fire a place to start" is a piece of advice often heard but too little heeded. Results of this heedlessness are starkly outlined in the annual fire records of the United States and Canada.

In the two countries, more than 1,600 homes are destroyed or damaged by fire each day, in many instances with tragic loss of life.

Fire strikes about 500 industrial and commercial places each day, and in addition to the waste of physical resources, there are incalculable costs in temporary or permanent loss of jobs and frequent business failures.

We have an unfortunate habit of dismissing most fires as "accidents," as sort of visitations of bad luck which somehow are

avoidable. But how unavoidable—or predictable—is the fire started by a carelessly discarded cigarette, or overloaded and defective electric wiring, or poorly maintained heating and cooking equipment? As shown by National Fire Protection Association studies, these and similar, uncomplicated causes are responsible for the great majority of fires.

We need to acknowledge the fact that fires are not only wasteful but avoidable, then to go on to reform the habits and remove the hazards which cause them. When each of us as an individual has done this, we will no longer risk our lives, jobs and possessions to the destructive forces of fire.

New Home For Builders

Construction is expected to get under-way in November for a new home for the Lake County Contractors Association.

Gerald Lollmough, president of the association, announced that the new office building, which will contain 1,800 square feet of floor space and a full basement, would be built on property purchased from the City of Waukegan on Washington St., east of Butrick St.

The one-story masonry type building was designed by Allan Pickus, architect and former president of the association.

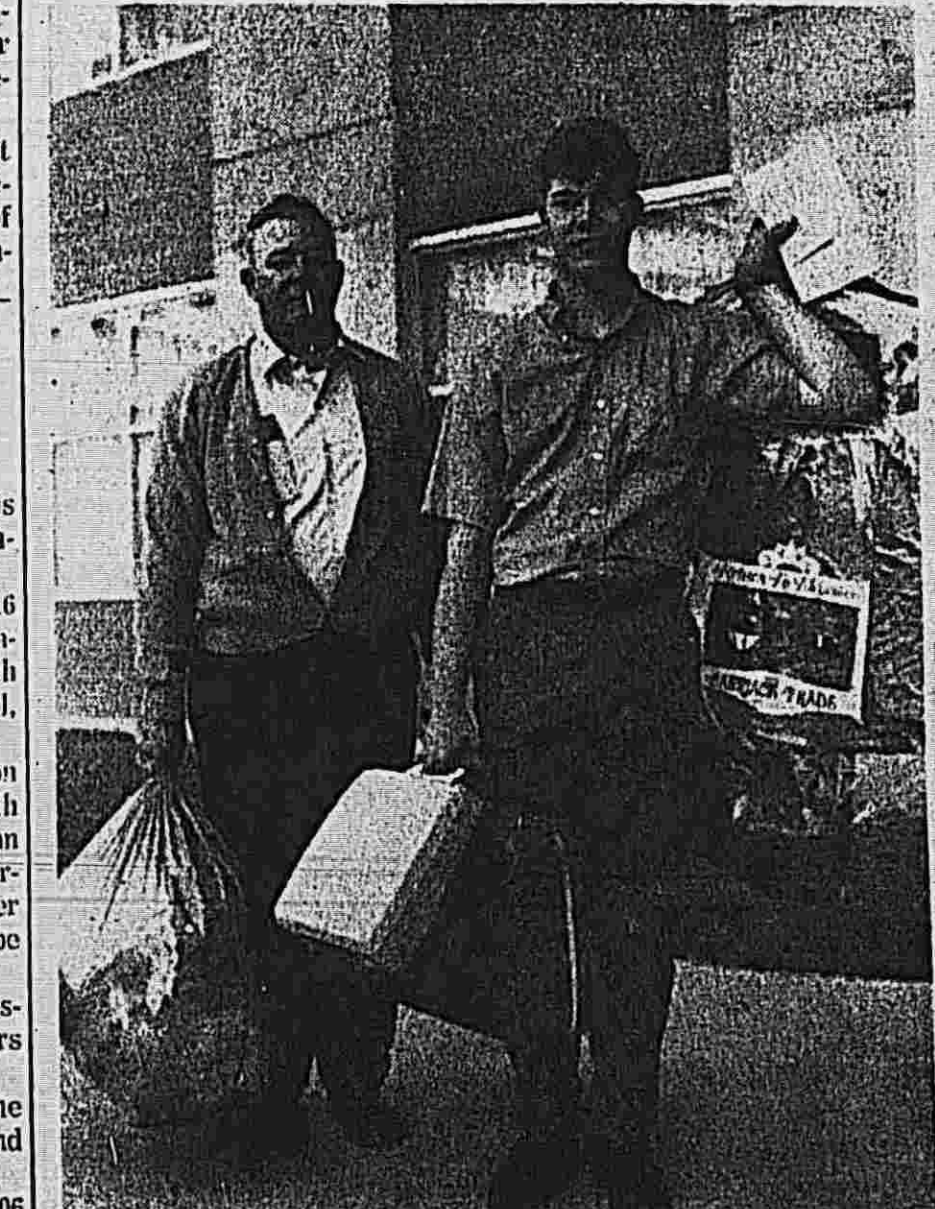

Pickus said the building has been in the planning stage for the past year and it is estimated that it will take about five months to complete.

Fire Safety Tips

Next week is Fire Prevention Week and we want to call everyone's attention to this hazard to man.

Exactly what would you do if right now you heard the crackle of fire in your kitchen?

Exactly what would you do if in the middle of the night your family was sleeping soundly and you awakened to the smell of smoke.

People who don't have ready answers to these questions are risking their family's and their own lives. For these are the people who don't know how to act when fire strikes in the home.

The first rule of safety from fire is to escape.

Get everybody out at the very first sign of fire.

But unless you have done some thinking and planning, you may not be able to escape.

National Fire Protection Association studies show the great majority of the 6,500 lives taken in the United States by home fires last year were needlessly lost because of failure to pre-plan and rehearse escape measures.

So prepare a home life safety plan for your family.

Make sure everyone, including the children, knows exactly what to do.

Then hold family fire drills regularly.

Here are pointers to help you plan:

Carefully figure out at least two routes to the outside from every room in the house, especially bedrooms. Allow for blocking of stairways and halls by fire.

Particularly for nighttime fires, remember that closed bedroom doors will hold back flame and smoke, allow extra time for escape.

For upper floor escape, use any available porch and garage-roof, ladders, or trees as ways down to safety. Be sure exit windows work easily and that they are low and large enough to get through.

Pick an outside assembly point where the family will meet, and be sure everyone understands the rule "once out—stay out."

Know how to call the fire department by street box or neighbor's telephone and do this as quickly as the house is clear of people.

Collins said, "These vigilantes should be punished for creating the disturbance within the school and not Laine."

Lumber admitted that long hair was not sufficient evidence to keep Laine from attending classes, but his presence in the school had caused disruption within the building.

The school board's attorney said Supt. Albert Dittman had issued orders to protect Laine and to treat him like any other student but the disruption continued despite his policy.

Both attorneys will present legal briefs to the Appellate Court in support of their arguments.

Air Lift To Tour County

A Conservation Air Lift Tour of Lake County is planned for Saturday morning, Oct. 25th from Palwaukee and Waukegan Airports.

This was announced by Russell Gwaltney of Grayslake, Chairman of the Lake County Soil and Water Conservation District, at the September meeting of the Board of Directors.

Plans call for the use of six-passenger, Cessna 200 high wing planes to leave each airport each hour, on the hour, commencing at 9:00 a.m. Examples of good and bad conservation practices will be viewed on the tour, which will include the Chain of Lakes Recreation area, and the changing shoreline of Lake Michigan, as well as a county-wide view of subdivision development, tree planting, pond construction, terraces, golf courses, and pollution problems. This tour follows up the successful Fall Helicopter tour of last October, when 33 persons viewed conservation sites in Lake and North Cook Counties.

Reservations are now being made. The fare will be \$10 per person. Please phone in your reservations as soon as possible to the District office at 71 S. Old Rand Road (phone 438-6319) indicating which airport you prefer to leave from, and your first and second choices of hours, from 9 a.m. to 4 p.m. Rain date is the following Saturday, Nov. 1st.

This tour will be of special interest to Realtors, Developers, village and county officials, and business people, as well as individual land owners. "Sites can be viewed and information obtained from the air which could never be observed from the ground observation," Mr. Gwaltney reported, "and October is a particularly appropriate time to observe the beauty of fall foliage from the air." For more information phone or write the District Office.

Letters to the Editor

Dear Sirs:

I just received The Antioch News today, with this clipping on the front page.

I am a fighting soldier serving proudly in Viet Nam.

My name is SP/4 Keith Christophersen. I am with the 114th Asst. Hel. Co.

I will be home in four and a half months and would like personally to cut Master Charles Laine's hair. I am very disgusted to see a person like that attending the High School I attended.

He just doesn't appreciate the great United States.

I sure will be glad to be home but not to see these long haired hippies. Only if they were here would they change their ideas on long hair.

I hope that you people of the Antioch News will publish this letter and let this person see he isn't proving a damn thing.

Remember Freedom of Press and Speech.

Thank you for your time and patience.

SP/4 Keith Christophersen
P.S. I will await a copy of this article in The Antioch News.

tary of the association, said the building will replace the one at 567 Benny Ave., which the association has outgrown.

Cost of the new structure is expected to be in the \$60,000 range.

The present offices of the association was obtained about 20 years ago, when the association numbered only 18 or 20 members.

Since that time, the association has grown to 209 members in every phase of the building trades.

Viscount pointed out that the association has branched out into fields besides construction, and the additional space to carry on programs of education and community services has long been needed by the group.

"Anyone who has visited our present offices," Viscount said, "must have been impressed by the need for more space."

Bids have not yet been let, but the executive board of the association expect to make a decision on the project within the next few weeks.

Loading or unloading children on the opposite side of the street from the school is a dangerous practice says the Chicago Motor Club-AAA. Children often open the car door on the street side and run across, or they dart from around the car. Either way they become an unfortunate target for passing cars. Drop them off and pick them up on the school side of the street.

MOOSE TOPICS

By Lillian Birdsall

Governor Jerry Kusch of the Antioch Moose, would like to remind all the members that the benefit dance being held for John Roach is scheduled for this Friday Oct. 3, following the scheduled fish fry. All proceeds made from this dance will be applied to John's hospital bill since he has no insurance and his bill will be quite high. Donations are \$1 per person and every bit will help.

Another reminder for all sponsors of candidates for the last quarter to be present at the Antioch Moose Home on Saturday evening, Oct. 4, when all prizes for the Red Seal Campaign will be unveiled. The awards are all cash prizes ranging from \$1 and up and only the sponsors themselves will unveil their award.

What ever amount appears under their name tag is what they will receive. The Red Seal Campaign has been a most successful one and Governor Kusch hopes for a repeat for the next campaign which will start with October's enrollment.

The enrollment ceremony which was held at the Moose Home on Sunday morning, Sept. 28, was performed by the Antioch Ritual team. A total of nine candidates

mony. The Hayride which was sponsored by the Loyal Order of Moose on Saturday evening, Sept. 27, was a very big success. Over 100 persons filled the two wagons that departed from the Moose Home at 8:30 p.m. Following a tour through town and the border line of Wisconsin, they ended up in Woodland Subdivision where they had their bonfire and roasted wieners. Refreshments were plentiful and everyone sang and had a good time until the return trip to the Moose home about 1 a.m. The proceeds from the hayride will be used to purchase a new-colored television set for the club room. Bob Matthews, chairman for this project, wishes to thank everyone that helped make it the success that it was.

Every school child is a moving traffic sign, warning motorists to slow down and drive with extra care whenever they are in the area.

When's the last time you got goose bumps when they played the Star Spangled Banner?

It's been a while, right? Well, then you're like a lot of us.

It seems that many of us are too grown-up to get excited about things like the Star-Spangled Banner any more.

You could almost say that patriotism makes us feel embarrassed.

Besides, it's hard to really feel patriotic when you hear so much about how this country is falling apart.

But, of course, America still has a Bill of Rights.

And free elections.

An incredibly high standard of living.

And a free enterprise system that lets you hitch your wagon to any star you want.

And plenty of other things you can't find anywhere else in this world.

Know what? Looking at it that way, America deserves a lot more credit than it's been getting.

One of the best ways to give this country the support it deserves is to buy U. S. Savings Bonds.

They strengthen the country so that it's better prepared to solve its problems.

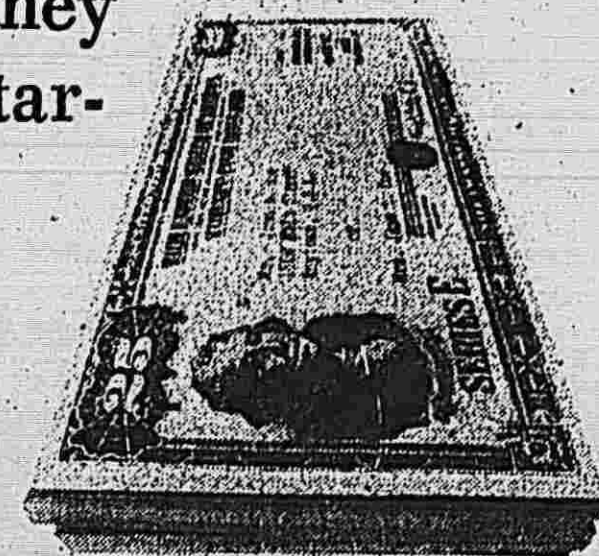

And they happen to be one of the best ways to provide for your own welfare.

Baumel Upsets Burgan

Larry Baumel upset the continuous win streak of Champion Dennis Burgan in late model stock car racing at the Lake Geneva Raceway Saturday as he took the win in the 30 lap feature race. Winning the modified stock car feature race for 30 laps was Roger Otto who continues to roll up victories in this fall season of stock car racing. Burgan set fast time for the late models and started in the back but couldn't keep the hard drive going to carry him to the front where Larry Baumel, Jerry Eckhardt and Ray Bush were battling. Burgan finished fourth and then it was Ron Schafer.

Heats for the late models were won by Baumel, Ingleside, and Bob Zimmerman. Roger Otto came close to the clean sweep as he also took fast time honors but could not get to the finish line first in his heat which was won by Ray Faulkner. Other heat race wins went to Ron Bergsma and Ken Hanson with Eddie Loomis winning the Trophy Dash. Bergsma chased Otto across the finish line in the feature with Jim Bozeman, Loomis and Arnold not far back. John Fischer won the Spectator Stock feature with Gil Schiltz setting fast time and Fischer, Bill Howland and Don Prisch winning heats. Next Sunday, Oct. 5, all types of stock cars will compete in the first of several fall race programs with time trials at 2 p.m. and races at 3 p.m. Full-scale activities continue through October at the Lake Geneva Raceways with a Boat Auction on Saturday afternoon, Oct. 24th. Public and dealers are invited to buy, sell

and trade. On the spot financing will be available to qualified buyers. Shop the boats available from 8 a.m. to noon and then the bidding starts. The largest number and lowest buys in boating history are going to be available.

Sequoits Make Comeback

The Antioch Sequoits made a comeback last weekend by defeating Round Lake 20 to 12. Scoring twice on long runs and once on a good drive, the Northwest Suburban defending conference champions ended a two-game losing streak. The win gave the Antioch gridders a 1-1 record in the conference race and a four-way tie for second place, one game off the pace. It was the second straight league setback for Round Lake. Antioch scored twice in the second period for a 12-6 lead at the break and then scored 8 points in the third quarter to hang on to the win. Round Lake scored once in the second quarter and once the fourth quarter. Antioch's scoring came with a one-yard plunge by Junior full-back Bill Hagstrom after a 45-yard drive, and after Rich Bechelli tied the score on a one-yard plunge for Round Lake, Eric Claeson scampered for a 63-yard score for the Sequoits. Lou Nielsen started the scoring with a 38-yard gallop in the third period after a fumble recovery on Round Lake's 41. In the fourth quarter Round Lake marched 68 yards for a score with quarterback Tom West going over from the one-yard line. Antioch 0 12 8 0-20 Round Lake 0 6 0 6-12

Punt, Pass, Kick Competition Set

Time is running out for Antioch and Lake Villa area boys to register in the Punt, Pass and Kick Competition. This competition, now in its ninth year, is open to boys 8 through 13 and is absolutely free. They will be competing for 18 handsome all-metal trophies to be awarded during the local competitions which are sponsored by Lyons-Ryan Ford. Contestants are competing against boys in their own age group in three football skills—punting, passing and kicking. Gold trophies will be awarded to the first place winners of each age group, silver to the second place winners, and bronze to the third place winners. There is no body contact and

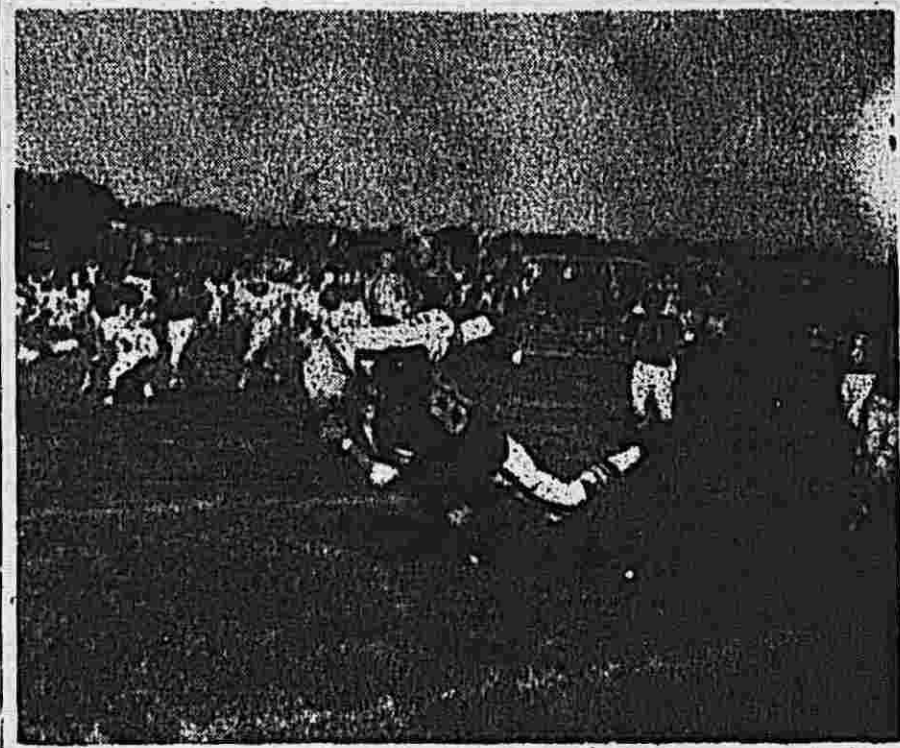

participating does not affect a boy's amateur standing. Registration closes October 8, so all boys 8 through 13 are urged to go with their mom, dad or legal guardian to registration headquarters at Lyons-Ryan Ford, 104 Rte. 173, Antioch, Ill. The local competition is scheduled to be held at Antioch High School on Sunday, Oct. 12, 1969, at 1:30 p.m. Local first place winners then go on to Zone and then, possibly, District, Area, Division and National contests where they compete for more trophies. Also, all District winners go with their parents to Area competitions held in NFL team stadiums. The 12 National finalists

compete during half-time in the NFL Play-Off Game in the Orange Bowl in Miami, Florida. They and their parents also take an exclusive tour of Cape Kennedy, the history-making site of the Apollo moon shots, and the Air Space Museum. Punt, Pass & Kick is a nationwide program that is sponsored nationally by Ford Dealers and the National Football League.

Little League Banquet

The Little League banquet was held Sept. 24 at the Oakland School with 350 parents and children attending. Mayor Raymond Toft and his wife, and the Rev. L. H. Messersmith and his wife, along with Antioch trustees Irving Walsh and Vern Barnstable and Howard Schneider of Lake Villa were honored guests. Speaker for the evening was Randy Hundley, Chicago Cubs catcher, who gave out autographed photos of himself to each boy at the banquet. The first place team, Dick Keesler, manager, was sponsored by John Teresi and was the Yankees. Ray Scarpelli accepted the trophy for Teresi. The second place Cubs, manager Ron Vos, sponsored by Lyons and Ryan, also received a trophy. Winner of the Round Robin trophy was the State Bank of Antioch Tigers. They will keep the trophy for a year. In the Babe Ruth League first place went to the Boosters with Adolph Bentel, manager. Greg LaPlante received the trophy for the Jaycees, sponsors of the team. Each young star on the winning teams received a trophy.

The slowpoke is a traffic hazard. Keep up with the traffic flow by driving at the posted speed—never over the limit, but not too far under, either. On the "B" team, Tim Mieur has been the standout at quarterback. He has scored two touchdowns and Dave Piironen and Mik Nischian, each scored one. This Friday the "B" team will play Wauconda at Antioch at 4:15. The "A" team plays at Wauconda at 9:30 Saturday.

A Sequoit ball carrier is flagged down by a Round Lake defender in a game that saw Antioch emerge victorious by a 20 to 12 score.

Freshman Gridders Win First 3 Games

Antioch's freshman football team has continued in the footsteps of last year's championship team by winning their first three games. On Sept. 15, they defeated North Chicago 18-0. On Sept. 20 Lake Forest was the victim 28-6. Last Saturday Round Lake was crushed 40-0. Meanwhile the Freshman "B" team also defeated Lake Forest, 14-8, and Round Lake, 14-0.

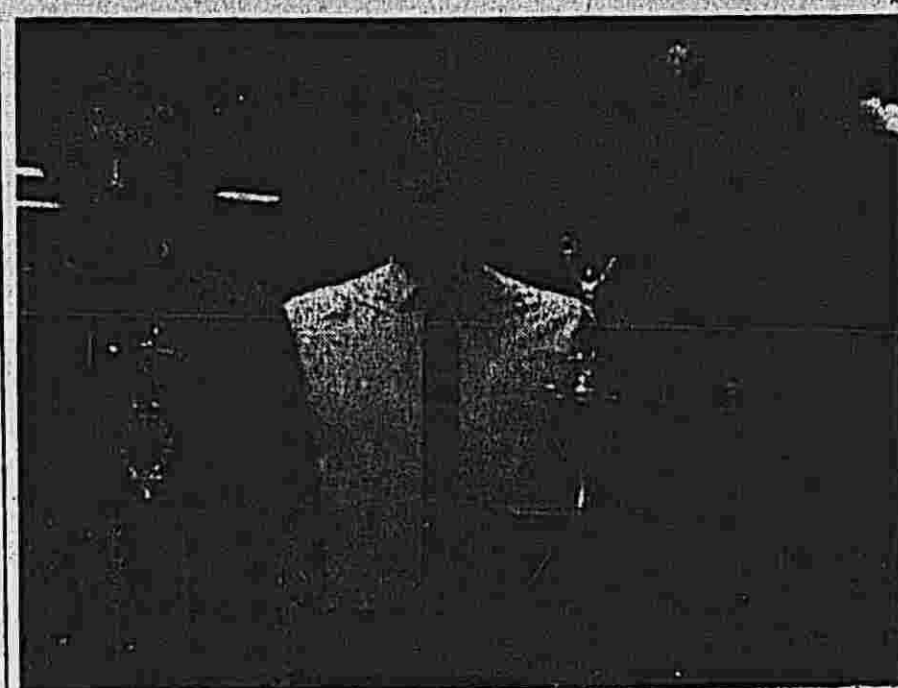

Coaches Norm Hahn and Steve Wapen now have a string of twelve games without a defeat. Last year's squad finished up 8-0 and this year the record is 3-3. The North Chicago game saw Tom Pfahler and Bill Toman scoring touchdowns and Pfahler and Charlie Chapman scoring 2 point conversions. Steve Hoel added the last 2 points when he tackled a North Chicago runner in his own end zone. North Chicago never threatened to score. Against Lake Forest, a strong defense won the game. Tom Pfahler intercepted three Scout passes and ran two of them back for touchdowns. Steve Hoel also intercepted a pass and ran it back to the nine yard line, setting up a subsequent touchdown by Pfahler. Bill Toman notched the 4th Antioch TD on a 20 yard pass from Pfahler. Chapman scored two 2-point conversions. After an early score by Lake Forest, the defensive unit kept the Scouts in their own territory. Round Lake proved no match for the eager Sequoits as Antioch completely dominated play. Pfahler and Toman again did the bulk of the scoring. Tom getting 4 TD's and Bill 1. Tom added three conversions and Chapman scored on 2 PAT's. Again the defense corralled the opponents' offensive limiting Round Lake to only one first down. Toman intercepted two passes while Pfahler led in tackles with 11. So for this year, Pfahler leads in points scored with 56, while Toman has 18, and Chapman 10. Pfahler also leads on yards rushing with 274. Chapman has 156 and Toman is third with 129.

Mike Sterbenz Wins Young-Adults Bowl

The Antioch Bowling Lanes 1st annual Young-Adults Elimination Tournament was won by Mike Sterbenz. Sixty-four young howlers, ages 15 to 19 started and some of the finest head and head match game play was seen throughout the tournament with Mike Sterbenz and Dave Turner going into the final round.

Outboard Regatta

The Chain O' Lakes Outboard Championship Regatta will be held beginning at noon Sunday, Oct. 5, at Lupa's Resort, Grass Lake Road, Bluff Lake.

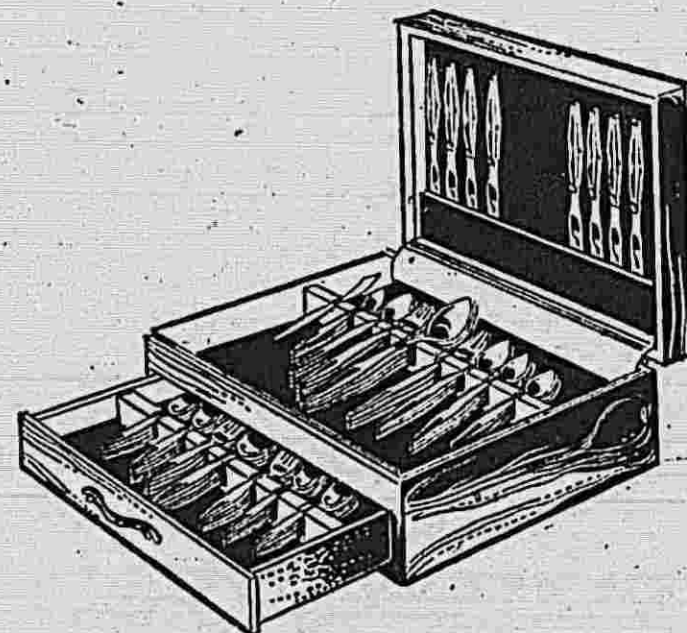

Dave Turner, left, won second place and Mike Sterbenz, right, first place, in a recent roll-off at the Antioch Bowling Lanes, Inc. Presenting the trophies is Joe Sterbenz, one of the owners of the establishment.

Musgrave Wins Feature

Elmer Musgrave of Mundelein roared to the 50 lap Season Championship win at the Waukegan Speedway Saturday night. Rich Sundling, who led until the 10th lap, hung on to finish second in front of Jim Cossman of Waukegan. The evening started off in hot fashion as the clown's car caught fire and was pushed into the infield to burn. The late model trophy dash saw leader Chuck Parker of Lombard hit the pit wall and Bob May of Gurnee came on for the exciting win. The hobby trophy dash was a thriller as Cora Morton of Zion by-passed a spectacular accident to win. In the third lap leaders Jim Smith of Waukegan and George Garrett of Zion tied together and Homer Scott of Libertyville clipped the stray cars and nearly flipped. Bud Herman of Barrington won the opening heat on an oily track. Al Gutche of Pleasant Prairie and Al Hagerly of Libertyville both got by Paul Craddock of Round Lake in the final corner of the second heat to finish in that order. The third and fastest heat for the late models was a thriller as Bob Roper of Chicago led until the last lap. When Bob May tried to slip by for the lead on the inside during the last lap the two collided with May hitting the wall

hard. Musgrave also spun into that crash and Cossman weaved through for a close win over Vern Browne of Wauconda. Dick Dornbusch of Lake Bluff and Hagerly led the first two laps of the feature before Sundling shot into the lead. USAC driver Tom Jones of Northbrook took second on the fifth lap, but Musgrave went by in the seventh and was in the lead three laps later. The closest contest in the feature was among Browne, Scott Moore of Mundelein and Gutche. These three ran nose-to-tail for 26 laps before Moore spun in the 33rd lap. Gutche finally passed Browne in the 44th lap for fourth spot and Browne took fifth. Twenty cars started the 25 lap hobby championship feature which had to be stopped only once for an accident. The feature was led most of the way by Dick Lincoln. Chuck Cermack of Island Lake was awarded the win. George Garrett took second in the race and also moved up to second in over-all points. Tom Reuss of Wildwood was the champion, but he dropped out after one race. Matt Baldwin of Waukegan finished third. Saturday's races concluded the first season on the asphalt at the Waukegan Speedway. Next year's races will start in early April. The only event remaining on the calendar for this year is the annual trophy dance. The dance will be held at the Lake Villa VFW on Saturday night, October 18. At that time over 30 trophies will be awarded to this year's top drivers and other awards will be made. This event is open to the public with tickets available at the door.

Health Is 4-H Major Concern

A group of hand-picked 4-H teenagers representing nearly every state recently held a three-day workshop in Washington, D. C. on major health problems of youth throughout the U. S.

The 4-H's are especially interested in health because every one of the 3 1/2 million members has "pledged my health to better living." The fourth H in the 4-H emblem represents "Health."

Their prime concern is to learn more about the widespread use of narcotics among students; what lies ahead for boys and girls who start smoking as young as 10; why 1 out of 15 teens is a potential alcoholic; and why so many teens are mentally ill, resulting in the high incidence of suicide among them.

The national 4-H Health program was set up years ago by the Cooperative Extension Service so that children would become aware of the importance of sound physical and mental health for themselves.

Establishing every-day habits of good health is No. 1 on their list. Personal projects cover many aspects including safety, sanitation, poisons, and other hazards common to home and community.

At the end of the 4-H Club year, health projects are summarized by the members, and evaluated by local 4-H leaders and Extension Service personnel. The most outstanding individual projects are then considered for various awards provided by the health program sponsor, Eli Lilly and Company of Indianapolis, Ind.

By selling its scrap x-ray film, the Veterans Administration recovered some \$1670,000 in fiscal year 1969.

HALLOWEEN

Motorists should be especially careful during the first few weeks of the new school year, cautions the Chicago Motor Club-AAA. Many youngsters will be making their first venture into school life and may let excitement cause them to forget safety habits learned at home. Drive slowly in school zones and give the youngsters a chance to grow up and learn, urges the motor club.

Since the first Veterans Administration representatives reported to Long Binh, Vietnam, in January of 1967, to give Army troops unprecedented battle field orientation on G.I. Bill benefits, more than \$55,000 service men and women in Vietnam have been briefed.
